

## Festive Greetings from the Livemore Team

### **Description**

Instead of sending Christmas cards and corporate gifts this year, we have donated to Harp, a local charity that provides meals and emergency support to our local community.

We are glad to help, especially at Christmas time when the streets are freezing cold and hope our donation will benefit those that need extra support.

With best wishes from all The Team here at Livemore and we look forward to working with you in 2026.
