

We've moved!

## Description

We are incredibly excited to announce our recent office move to Cobat House, situated on the London Road in Leigh-on-Sea. After many happy years at Broadway House, we made the decision to re-locate to a more modern and open-plan office space to better suit our current business needs. We have created the ultimate “hot-desk” environment, allowing our employees to enjoy the flexibility to move between work spaces and maximise their productivity.
